

NORTH PUTNAM YOUTH BASEBALL LEAGUE

SPONSORSHIP FORM

The North Putnam Youth Baseball League will soon kick off the baseball season. We are excited to start a new season and continue to focus on engaging youth in an active program that promotes fitness, sportsmanship, and teamwork. For many, their experience on a NPYBL team sets the stage for a lifetime love of the sport of baseball. Each year our program serves between 150-200 local youth. It is always our intent to keep the cost of the program within reach of everyone in the community. To make that possible, we approach business leaders in our community to request sponsorship for our program.

We hope that you will consider supporting the NPYBL this season.
